The Blue Goose Directory will be available to members via E-Directory this year and will no longer be in print form. Another change is with advertising, we will not be offering advertising in connection with the Directory. Instead, it will be offered in the monthly Honker and will be available in a variety of sizes ranging from business card to full page to suit your marketing budget. This is a much better 'Bang for your Buck' because the honker is sent out each month to all of our Members with your ad in it each and every time!!
