The Olson Family welcomes you to Baltimore and the 109<sup>th</sup> Grand Nest Convention. Baltimore is known as “Charm City” because of many small neighborhoods that make up the city and our rich history. This past year we celebrated the 200<sup>th</sup> anniversary of the Battle of Baltimore and the writing of our National Anthem, the Star-Spangled Banner. We hope you enjoy your stay in Baltimore and the program we have planned for your entertainment. I would like to thank our convention committee for their hard work and support. I would like to thank all of our convention sponsors who have made this possible. Our executive committee is PMLG Gene Newman, PMLG Michelle Fitzwater, PMLG Jim Kern, and PMLG George Burgee. The other members of the convention committee are the PMLG Jimmy Lanham, MLG Patrick Bergin, SOF Wendy Fletcher, COG Bob Markuski, GOP Erickson Flynn, Donna Digman and Jesse Turpin.

In 2000 the National Capital Pond hosted the 94<sup>th</sup> Grand Nest Convention in Baltimore and I was in charge of the youth program. We had a record 60 children from the US and Canada attend the convention that year. Many of those children returned year after year with their families and created lasting friendships like we have as ganders. Some of those children are here this week attending as adults. 15 years later I am very proud to serve as your Most Loyal Grand Gander.

The Honorable Order of the Blue Goose International and its annual convention has brought member families together from across the United States and Canada for over 100 years, a feat that only a few organizations can match. For our visitors from out of town along with our local members and guests we hope you enjoy yourself during your brief stay in Baltimore.

We thank you for attending our convention where you will surely experience firsthand the cardinal principles of our order: Character, Charity and Fellowship

Sincerely,

William G. Olson, MLGG

# History of the National Capital Pond

During the latter part of 1947, a number of Ganders, members of the Chesapeake Pond (Baltimore, Maryland), but domiciled in Washington, D.C., believed that due to the increase in fire insurance representatives in the National Capital, a local Pond should be established

Through the untiring efforts of Maurice May, Past Most Loyal Gander, and Bob Wiseman, Wielder of the Goose Quill, both of the Chesapeake Pond, and with the whole hearted endorsement of the Ganders of the Chesapeake Pond, a preliminary meeting was finally arranged at the Continental Hotel on April 9, 1948. Fifteen Ganders attended the meeting and with Maurice May appointed Chairman, organized the National Capital Pond and elected the following officers:

Robert L. Wiseman	Most Loyal Gander
Russell K. Davis, Jr.	Supervisor of the Flock
C. Norman Dorphley	Custodian of the Goslings
Gordon C. Piercy	Guardian of the Pond
Fred R. Bunting	Keeper of the Golden Goose Egg
Leslie H. Durloo	Wielder of the Goose Quill

The National Capital Pond Charter given under the hand and seal the Grand Nest Officers and dated May 17, 1948, at Milwaukee, Wisconsin listed the names of seventy-two Ganders as Charter Members of the National Capital Pond.

In 1951, as a very young Pond, we were privileged to have one of our own Ganders, PMLG Robert L. Wiseman, elected to the Grand Nest. Bob served in all the Offices of the Grand Nest and was the Most Loyal Grand Gander in 1956. Our Pond is very proud of Bob who was a Past Most Loyal Grand Gander (1956), Life Member (1956), and a Fifty Year Member (1992). Bob took his long last flight on August 18, 1994.

In 1953, our Pond published our first formal newsletter, named the "Honker" with PMLG James A. Wiley as the first editor. Over the years our newsletter has won several awards presented by the Grand Nest Pond Publications Committee, and continues to be a vital communications link with all our members. Over the last 25 years the Honker editors have been PMLG Ken Morris, PMLG Tom Cattell, PMLG Rene Carter and our current editor is Donna Digman.

Normally, the 49<sup>th</sup> Grand Nest Meeting would have been held in Washington, D.C., and the National Capital Pond would have been the host pond, with our own Robert L. Wiseman, the Most Loyal Grand Gander presiding. However, since 1956 was the 50<sup>th</sup> anniversary of the founding of Blue Goose, it was right and proper that this important milestone should be commemorated on the banks of the Wisconsin Pond, the Home Nest. The National Capital Pond regretted not being the Host Pond, but cheerfully acknowledged its obligations to the Wisconsin Home Nest in assuming responsibility of the Grand Nest Meeting.

Since our inception, the National Capital Pond has been broad in charity. Over the years, we have supported various charities, and in 1972 we elected to make Children's Hospital our primary recipient. Each year we hold a charity luncheon with a Washington Redskin as our guest speaker. Since 1972 we have donated over \$350,000 to Children's Hospital. On September 16, 1993, the Pond voted to change the name of this event to The John Brenner Annual Charity Luncheon in honor of John Brenner, PMLG, who initiated our Pond's first organized charities while serving as Most Loyal Gander in 1957. In 2011 the Washington DC Firefighters Burn Foundation was added as a second recipient to share donations from the Annual Charity Luncheon. The Pond also gives \$500 donations to four charities as may be nominated by individual pond

ganders and screened/approved by the Charity Committee.

In 1980, our Pond was again honored when PMLG David E. White was elected to the Grand Nest. Dave moved up through the chairs of the Grand Nest officers and was the Most Loyal Grand Gander in 1985. The 79<sup>th</sup> Grand Nest Convention was held at the Mayflower Hotel in Washington, D.C.

In August 1995, Barry L. Snyder was elected to the Grand Nest at the 89<sup>th</sup> Grand Nest Convention in Rye, New York. Barry proceeded his way through the Grand Nest Officer positions and in August 1999, in Seattle, Washington, became the Most Loyal Grand Gander. For the third time since the commencement of the Pond, National Capital Pond was privileged to host the 94<sup>th</sup> Grand Nest Convention in the year 2000. This event was held at the Hyatt Hotel in the Inner Harbor in Baltimore, Maryland.

August 6-10, 2000, the 94<sup>th</sup> Grand Nest Convention was held in that great American city growing and gleaming on the shores of the Chesapeake Bay, Baltimore, MD. A lively and diverse metropolis in the midst of a renaissance yet generally endowed with history and graciously blessed with charm. Our motto was "Baltimore Carousin' in 2000".

The National Capital Pond Ritual Team has conducted the Model Initiation in 1988 at the 82<sup>nd</sup> Grand Nest Convention hosted by the Ontario Pond in Toronto, Canada, in 2007 at the 101st Grand Nest Convention hosted by the Virginia Pond in Williamsburg, VA and in 2014 at the 108th Grand Nest Convention hosted by the Utah Pond in Salt Lake City.

PMLG William G. Olson is a current Grand Nest Officer and will be elected to the position of Most Loyal Grand Gander of HOBGI at the 2014 Grand Nest Convention. At the end of his tenure as MLGG in July 2015, the National Capital Pond will host the 109th Grand Nest Convention at the Renaissance Harborplace Hotel in Baltimore, MD. This will be the fourth Grand Nest Convention hosted by National Capital Pond over the last 60 years.

The National Capital Pond will continue to grow in strength and spirit. Our progress will be limited only by the ability of our members to carry out the object of the Order: Character, Charity and Fellowship.

Fellow ganders, thank you for joining the National Capital Pond in Baltimore for the 109<sup>th</sup> Convention of Honorable Order of the Blue Goose International. We would not be here without the leadership and dedication of our Most Loyal Grand Gander, William “Bill” Olson. Bill is truly the captain of the ship when it has come to the planning for this event. While here in Baltimore please take time to share a smile, a hug, a handshake or raise a drink in celebration of Bill’s hard work as MLGG . Bill is the driving force behind the fundraising activities, the planning and the leg work on making this a memorable convention here in Baltimore. It has been a pleasure working with Bill in planning this event. There were many meetings that were held over the past several years in preparation for this event, and Bill has inspired the committee with his energy in making this event a success.

Bill is always the first to welcome new members to our pond, and is instrumental in the success of the National Capital Pond. It is a pleasure to call Bill a colleague and a friend. Too many times we come together and do not take time to say thank you and show appreciation for the effort put forth to make this an enjoyable event for everyone in attendance. On behalf of the National Capital Pond and the Honorable Order of the Blue Goose I wanted to extend a heartfelt thank you to you Bill and the entire Olson family.

## THANK YOU BILL!

George A. Burgee, PMLG-National Capital Pond
