

DISABLED AMERICAN VETERANS

6/9/15

Ms. Fletcher,

Here at Disabled American Veterans (DAV) we received a very generous \$500.00 check from the National Capital Pond of the Honorable Order of the Blue Goose International.

Ms. Fletcher, THANK YOU!

At DAV we are proud of our role in 'keeping the promise' to those who serve, and your contribution helps us continue to operate a myriad of services for veterans at no cost to them whatsoever.

I have thanked George Burgee, and I thank you for taking the time to consider DAV, our mission, our deeds, and finding us worthy of your generosity.

Sincerely,
Pete Starkland
