March Spring Charity Event – Postponement Update:

The spring charity event committee is excited that the March Madness Casino Night was able to be rescheduled to August 20, 2020. All event registrations and sponsorships are being held for the individuals and companies who had registered and committed prior to the mandatory shut down in Maryland. Additionally, our deposit with the event venue, Dave & Busters, is being held in anticipation of our rescheduled event.

We look forward to a fun Casino Night event in August with members and friends of The National Capital Pond in support of our chosen charity, Heroe's Inc.

Respectfully submitted,

Andrea Dawes

2019 – 2020 Supervisor of the Flock
National Capital Pond
