

HOGBI National Capital Pond Custodian of the Goslings Report – May 21, 2021

Membership

As Custodian of the Goslings for the 2020-2021 year, we were faced with a very different year than years prior, due to Covid. Due to the inability to hold in person meetings, we had to approach finding prospective members in a different way. The board unanimously decided to postpone our annual November RUSH party until April 2021 and hold our in-person initiation in May instead of January.

Rush Party

The date of our Rush party was April 8, 2021. It was located at Bowlero in Columbia, Maryland. We had 39 RSVP's, for the event. There were 36 actual attendees including 14 prospective members and 22 current members. We received 13 paid applications for potential members at the event. Overall, it was a great turnout for an event being held during Covid times.
