As the Wielder my job is communications and maintenance records of membership. I have kept in communication with our Webmaster to make sure our website is up to date and that meeting and special event notices are sent to our flock. I also send out dues notices and then either add or drop members, with the help of Tiffany Barret. Tiffany Barrett is our KGGE and my co-Wielder this year, she took over tracking our membership and reporting to the Grand Nest our membership numbers as well as editing changes to current members information.

I kept track of our Ganders celebrating anniversaries commemorated by anniversary pins. I communicated with the Grand Nest when necessary, keeping them apprised of our goings on. In addition, this year I revived a newsletter called The Honker. Our 'Open Rate' is not great but we are not sure if that is due to lack of interest or your carrier blocking delivery. I will create and send an end of year Honker next week, please look for it in your inbox, spam and/or junk email.

Thank you,

Barb Markuski – Wielder NCP 2020-2021 season
